

**Dear All Saints family,**

In response to the rapidly evolving COVID-19 virus situation, after much prayer and discussion, we are **suspending all worship, gatherings and meetings** at All Saints for at least the **next two weeks, until March 27th**. We will continue to reassess the situation in the coming weeks and make further decisions based on the knowledge at that time. The choice to close the building was made out an abundance of safety and care for our community. We are doing our part to slow the spread of this virus.

Though our space is closed, and we may be keeping a physical distance from one another, it remains important that we stay connected spiritually. Our hearts and minds remain with one another as we each navigate this challenging time. We hope that you will continue to practice your faith and spiritual routine, as those can often be what best guides us through difficult times like these. Over the next few weeks we will be developing programming and ways in which we can stay connected and support one another. In order to help you keep up your practices we would like to offer you the following services this week:

**Online Worship:**

On Sunday, 3/15 at 10am, we will post a video to our website with the readings for the week as well as Rev. Paul's Sermon. Please feel free to add your own prayers to this version of our worship. This will remain on the website for your viewing anytime thereafter. Many audio sermons from the past also continue to be online and are available for your edification at any time.

**Church School:**

There will be opportunities for families to actively participate in church school classes.

Lower School at 9:15

Upper School at 11:30

Details on how to participate have been sent in a separate email by Laura Marshall. Please contact her if you have not received it.

**Pastoral Care:**

We will no longer be meeting with one another in person. Rev. Paul will send out a separate message including ways in which we can continue to care for one another. He will be continuing his pastoral ministry with individuals through phone, email, and video conferencing.

Although we are distancing ourselves physically in the face of this challenge, we are bonded together through Christ. "Let us hold fast to the confession of our hope without wavering, for he who has promised is faithful" (Hebrews 10:23).

Yours in Christ, Paul and the Wardens, Laura & Scott
